RAYMOND RECORDER

No. 33 Vol. 3 Friday, March 13, 1953

Mrs. Ephraim Gough Is Laid To Rest

The large crowd and floral tributes at the funeral bespoke the high esteem held for one of Raymond's early pioneers, Mrs. Linda Gough who passed away suddenly at the age of 69 on March 2nd at the local hospital after a short illness. She would have celebrated her 70th birthday the following Saturday.

Bishop Wm. Jensen conducted the Funeral Service in the Second Ward Chapel with Mrs. L. J. Hawkins in charge of the choir and Mrs. Deb Oler at the organ. "O My Father" was the opening number sung by the Ward Choir after which President Walker offered the opening prayer. "Hold Thou My Hand" was rendered by Ema Dahl, Ruth Salmon and Gladys Holt following Mrs. Louis Taylor spoke of her acquaintance with the family; giving a brief history of her and her family starting with Mrs. Gough's Grandfather who joined the LDS Church in Utah after moving there from Maine. Mr. and Mrs. Jim Harker sang "In The Garden" prior to Patriarch Mendenhall's remarks on the pioneering spirit of the Goughs and her faithfulness after which "Wonderful Mother of Mine" was sung by Joe McLean. President L. L. Palmer was the concluding speaker mentioning the love and respect given to Mrs. Gough by all who knew her, after which Mrs. Ethel Tolstrup played "When You Come To The End of a Perfect Day" as an organ solo. Bishop Orvin Hicken offered the Benediction.

Palbearers were Wayne and Gerald Gough, Lloyd and Harold McBride and Ray and Allan Heggie. The Graveside Prayer was offered by Bishop Golden Snow, and Interment was in Temple Hill Cemetery.

The late Mrs. Gough married Ephraim Gough in the Salt Lake Temple in June 1901; moving to Welling in 1902 and later to Raymond in 1914 where she and her husband had made their home ever since. Mrs. Gough gave birth to six children, only one of whom is living; one having died in Salt Lake and four after coming to Canada. However, she extended her love to two little motherless nieces, her brother Elisha's children, and raised them as her own. She spent a great deal of time working in the Church during all her active years, particularly in the Primary and Relief Society.

She leaves to mourn her passing, her husband Eph, her son Cliff, and two daughters, Mrs. Wesley Williams and Mrs. Karl Shields of Trail, B.C., two sisters, Mrs. Geneva McBride and Mrs. May Heggie, two brothers, Henry S. Day of Pocatello, Idaho and Elisha of Los Angeles, and sixteen grandchildren and four great grandchildren.

Mrs. Roy Nalder of Picture Butte, the Clarence Hydes, Joe Edwards, Earl Saubacke, C. H. Browns and Mrs. Sade Day of Taber were out of town relatives attending the funeral.

A D7 Caterpillar Tractor, a bulldozer and a scraper have been added to the equipment of the M.D. of Sugar City. The machines were purchased from Union Tractor Co.

Mr. and Mrs. Jack Evans were hosts to their Sunday Evening Study Class this week, at which Jack led the discussion and Lucile served a delightful lunch.

Mrs. Karl Dahl motored to Magrath on Wednesday to visit her brother, W. T. Passey who is a hospital patient there.

Mr. and Mrs. Lorin Larson left on Thursday for a two-week vacation in California.

Mr. and Mrs. Cliff Peterson (Lois Fairbanks) are announcing the birth of a second daughter, Susan, born on Sunday, March 8th.

The regular meeting of the Municipal Council was held at the Municipal Office on March 10, with all Councilors present. The meeting convened at ten in the morning and adjourned at six-thirty in the evening.

All the local construction organizations have pooled talents and resources to do an excavation job under the Mercantile. They are taking out the old floor and a couple of feet of the dirt and will then pour a new floor.

Red Cross Campaign Progressing

After two weeks of canvassing in Raymond and district, Canadian Red Cross Society Campaign Chairman, Mrs. F. Hall, announced that a total of \$359.00 of the \$1750.00 quota has been reached.

"We are meeting with the usual co-operative response," Mrs. Hall said, "and we feel sure that our quota will be met soon."

This year, as last, Red Cross canvassers are emphasizing the work of Alberta Division's key project, the new Alberta Red Cross Crippled Children's Hospital. The new building, final word in modern hospitals, was a definite blessing to the children of the province this year for by January 1, 1953, it had admitted 149 polio cases from the 1952 epidemic. Built for the medical treatment of children whose parents cannot afford prolonged orthopedic care, patients are admitted from all over Alberta, the Peace River Block and the North West Territories.

But while much Red Cross work is done at home, including the Blood Transfusion Service, the Society has international obligations as well. Besides its medical social-welfare team in Korea, which works with civilian refugees, 17 Canadian Red Cross workers are on duty in Korea and Japan working with the Canadian Army. Maple Leaf club in Tokyo, the Commonwealth hospital in Kure, Japan, and in hospitals in Seoul, Korea.

Canadian women are constantly at work making clothing and comforts for war refugees in Korea, Europe and the Middle East. The Junior Red Cross in the schools, which now has 1,000,000 Canadian members, assists in Canadian programs as well as helping less fortunate children overseas.

The One Hundred and Forty-Fifth Quorum of Seventys and their partners had a gay time on Monday when they met for their annual banquet and party, of which Kay Redd was Master of Ceremonies.

After the sumptuous meal a Skit was presented by the Stirling group followed by Square Dancing and Mixers under the direction of Mr. and Mrs. Joe Strong.

The Raymond Municipal Hospital Auxiliary meeting was held Wednesday, February 18, at the home of Mrs. Orrin Turner, at which Dr. Bingham gave a very interesting and informative talk and "Preventive Dentistry".

It was voted to add a contribution of \$22.50 to one for \$100.00 already made to the Hospital Board for the purchase of a Waganstein Suction, thus the Hospital Auxiliary has made the full contribution.

Special thanks to Darrell Miller and helpers for labor and time in constructing a free-wheeling table for the hospital kitchen and Miladi's Literary Club for \$25.00 donation.

More than eight visits were reported by the Sick Visiting Committee. Sewing done:

There were thirteen articles mended by Ollie Turner, Irene Cooper, Liz McLean and Doris ZoBell. There were thirty pieces mended, ten steets mended and three new sheets made by Dorothy Dahl, Thelma Court, Retta Walton and Ann Turner. Six new tray clothes were made by Norma Meldrum, Doretha Roberts, Irene Cooper, Fontella Hawkins and Doris ZoBell.

The regular meeting of the United Church W. A. was held Thursday, March 5 at the home of Mrs. Connie Grant with the President, Mrs. Dainard, in the chair. The devotional period was conducted by Mrs. Alma Heigerson. The important item on the agenda entailed completion of the plans for the Easter Tea, Bazaar and Bake sale, slated for Saturday, April 11th in the Legion Hall.

A sum of money was voted to the Dutch Relief Fund and a Pantry Sale was planned for Thursday, March 19, at 2 p.m. in the Coffee Shop.

Following adjournment of the meeting a tasty lunch was served by the hostess and a social hour enjoyed by all.

RAYMOND WESTERN DANCE CLUB NEWS

Twenty-six couples met recently to form a Square Dance Club which will be affiliated with the Canadian Square Dance Association. Alma Sommerfeldt was elected president of this club. Vern Peterson, Vice President and Mrs. Doris Zobel, Secretary-Treasurer. This group now meets every Saturday night at 8:30 for two hours of dancing in the old High School Gym with Joe Strong doing the calling.

Enthusiasm runs high among the members who are looking forward to learning new dances and going over old ones with Joe and Marie as their instructors.

Mr. and Mrs. Art Atwood have as their guests their son-in-law and daughter, Mr. and Mrs. Grover Nelson of Ocean Falls, B. C.

Large Crowd Present On Honored Guest Day

The Honored Guests of Raymond and District had the opportunity of really kicking up their heels and enjoying themselves on Wednesday, March 11, when they were feted at a grand day at the Opera House.

A sumptuous turkey dinner was served to 290 people and a fine program was presented for their enjoyment. The Gen Hawkins Quartet, Earl Hancock, Jim and Joyce Harker, the Holt Sisters, Edwin Palmer and the Beth Walker Trio presented musical numbers with touches of comedy being added by Arledge Hill, Tim Court and Duane Howard. Readings were given by Elsie Chipman and Zettelle Taylor.

The hall and the tables were beautifully decorated in a coronation theme using red, white and blue trimmings with white and blue flower centre pieces for the tables.

After the delicious dinner and interesting program the Honored Guests enjoyed an hour of old time dancing followed by moving pictures shown by Myron Holmes.

Supper was served just before Qually's Old Time Orchestra from Lethbridge hit the down beat and just after an afternoon of wonderful visiting and reminiscing.

Gifts were given to the oldest gentleman and lady present who were Heber Coles and Maria Hannah. The Widow's Waltz was won by Clara Rolison and partner and the Prize Waltz crown went to two couples, Jim Meeks and Gladys Liddle, and Andrew Walton and Fanny McBride. Azel Stevenson and Mrs. Rose Melchin won the Spot Dance with Mr. and Mrs. Keith Turner and Mr. and Mrs. Fritz Dahl winning the Elimination Dance.

The Honored Guests Day was again one of the outstanding days of the year for the older folks of Raymond and District.

THE OLD FOLKS

Now let us cheer them on
For they might not be with us long.
Don't sneer at them because
they're old and gray,
But remembers while you're young
That the time to you will come
When you'll be old and feel only
In the way.
— Anonymous

Mrs. Lillis McGillivray and Mrs. Hazel Meldrum were co-hostesses at the home of Mrs. Jennie Vance this week when the Fourth Ward Primary Officers and Teachers met for their Preparation Meeting. Mrs. Ruth Nalder was assisted in the lesson this month by Mesdames Margerite Anderson, Lillis McGillivray and Violet Christensen. A tasty lunch was served the ladies.

Mr. and Mrs. Frank Hall have as their guest for a few days this week Mrs. Frank Rutten of Lethbridge.

Friday afternoon half a dozen W. I. ladies met at the home of Mrs. Frank Hall for a Quilting Bee for quilts for Korea.

The Raymond Music Club met at the home of Mrs. Jane McMullin on Friday, March 6th with Mrs. Marie Matkin assisting the hostess and Mrs. Helen Sabey conducting the meeting.

The opening songs, under the direction of Mrs. Ruth Salmon were "When Irish Eyes are Smiling", "Galloway Bay" and a little bit of Heaven.

The minutes of the Annual Valentine Party was read and approved. Business discussed at the meeting was the financial standing of each member, the hostesses for April to be Marie Strong and Velma Bigelow, and the lesson for April by Gen Hawkins.

The lesson of the evening was given by Mrs. May Belle Anderson on the musical career of Kate Smith. May Bell had the group sing Kate Smith's famous radio theme-song, "When the Moon Comes Over the Mountains", followed by a solo, "Lovely Night", sung by Irene Allred. Kate Smith's life history and activities were then given, and made very interesting. May Bell led in a discussion on this theme. Velma Bigelow then sang a solo entitled "Daddy". Emma Dahl read a short article on the career of Kate Smith which also added to the enjoyment of the lesson. A duet was sung by Irene Allred and Velma Bigelow; "I want to Dream by the Old Mill Stream".

May Bell had typewritten sheets of the words to the songs "By the River Sainte Marie", "Goodnight Sweetheart", "I'm Always Chasing Rainbows", "Down the Road" and "Vellia", which all the group sang; all solos, duet and chorus songs are some of the many numbers Kate Smith has made popular. Much credit is due May Bell for such an interesting and informative lesson—also to those who sang and Emma for her article.

A delicious lunch was served by the hostesses which ended an enjoyable evening.

Nellie Duncombe adjourned the meeting which seventeen members were present and one visitor, Mrs. Beth Walker.

The local bonspiel has ended with the Roy Owen Rink from Magrath winning top honors. The O'Donnell Rink from Warner won the Second Event and Lincoln Wood's Rink of Rol Stone, Bill Fairbanks and Winston Shaw won the Third Event.

Gray Douglas, music teacher of Lethbridge, was a week-end guest at the Gordon Rasmussen home.

Marcelle Bergh celebrated his fifth birthday with a party for a number of little friends this week with games and lunch enjoyed. He is the son of Mr. and Mrs. Peter Bergh.

Judy Strong, Joanne Ralph, Cynthia Hague, Dalin Pack, Maurice Heggie, Ronnie Minion, and Roger Holt were recently the guests of Elaine Dahl to help her celebrate her birthday. Games were played, including an initiation to Canasta, followed by a tasty lunch and dancing.

Ray Heggie of Lethbridge is visiting his parents, Mr. and Mrs. Bob Heggie this week.

The Ladies Auxiliary met Monday evening at the Legion Hall for their monthly meeting, at which the new officers were installed with Legion President Ray Atwood conducting. He also spoke to the group on the importance of the Ladies Auxiliary and the fine work they were doing.

Plans were completed for the St. Patrick's Day Tea to be held March 14th., at which Teacup Reading will be an interesting sidelight; as well as a Bake Table and White Elephant Sale.

After the business meeting a program was enjoyed with Mrs. Fern Thompson conducting, which included two numbers, "Isle of Golden Dreams" and "Moonlight Bay" by Mesdames Lavon Dahl, Dorothy Neilson and Beth Walker; two solos by Alice Court; a Reading by Eileen Philips and "Apple Blossom Time" and "Isle of Golden Dreams" was sung by Mrs. Marie Matkin and Mrs. Helen Sabey. Delicious strawberry sundaes and cake were enjoyed at the conclusion of the meeting.

Mr. and Mrs. Otto Schneider have visiting them Mrs. Schneider's mother, Mrs. MacMurrin from Vancouver, B. C.

The Third Ward Mia Mads met at the home of Mrs. Azel Stevenson Sunday for Fireside to enjoy a talk by Mrs. J. H. Walker.

Fred Wendell motored home to spend the week-end with his wife and son. He is presently attending the Tech. in Calgary and was accompanied to Raymond by Ceaser Coppleters and Barbara Christensen.

Disappearing Act in Scotland
It is believed that wolves did not disappear from Scotland until the 18th century.

Mr. and Mrs. Karl Salmon were hosts to their Study Class on Sunday with a pleasant evening of discussion followed by a lovely lunch.

Mrs. Kay Anderson and Mrs. Margaret Taylor were assistant hostesses Monday evening when the Les Amies met at the home of the former for an interesting evening. Mrs. Taylor read some articles on childhood problems, followed by a discussion and a lovely lunch.

Robert Anderson has gone to Red Deer where he will attend school until June.

Mrs. Ruby Holland.

BORN TO

Mrs. Nora Stone, a girl, on Tuesday, March 10.
Mrs. Grace Judd, a girl, on Wednesday, March 11.

Six Raymond boys were involved in seven fights recently but it was all quite O.K.—they were boxing on the amateur card staged at Stirling. Ronnie Minion, 90lb, won one of his bouts but lost the other on a split decision. Dennis Smith, 70lb, also won his fight. Jim Tillack, 165lbs., Jim Walker, 125 lbs., Roy Smith, 90lbs, and Morris Heggie, 80lbs., were on the losing end of their bouts. The local Legion and A. A. A. will sponsor a fight card here on Saturday, March 28.

Mr. and Mrs. Ted Reece and daughters Glenna and Mary-Anne of Calgary, which sandwiches, angelfood cake Mrs. Lawrence Erickson and Mrs. Wayne Gibb of Picture Butte were guests at the home of Mr. and Mrs. Maurice Cooper on Monday after attending the funeral of their sister, Mrs. Alice Pierson in Cardston.

Mr. and Mrs. Sam Sotter of Great Falls, and their two children visited with Mr. and Mrs. L. J. Hawkins over the week-end.

Eileen Duncombe and Jay Atwood Wed

Marriage vows were exchanged on March 4th between Eileen, daughter of Mr. & Mrs. L. B. Duncombe and Jay H. Atwood, son of Mr. J. D. Atwood, in the Alberta Temple with President Smith officiating.

The radiant bride chose a white satin gown styled with a peter pan collar, net yoke edged with a wide ruffle, and dainty covered buttons down the front of the low waist. The full skirt featured a short train and the three-quarter length veil fell from a simple headress. Red roses and white carnations made up her bouquet.

Her sister Jean, and Carlee and Nola Atwood as bridesmaids wore gowns of green, mauve and aqua respectively and carried mixed nosegays, while Carol Duncombe in pink taffeta with flowers in her hair and in her arms, was Flower Girl.

The Groom's Best Man was Layne Atwood and the ushers were Taage Davidson and Ken Taylor.

Mrs. Duncombe chose a navy blue frock with white and navy trim while the Groom's mother wore a grey dress; each of them wearing a corsage of pink carnations and tiny white flowers.

Many friends and relatives from Raymond and other points in Southern Alberta called at the Stake House that evening to wish the newly weds continued happiness. Mr. and Mrs. Lawrence Duncombe and Mr. and Mrs. Les Palmer welcomed the guests as they arrived and Sylvia Christensen, Hazel Atwood and Pat Mitchell were in charge of arranging the gifts. Mrs. Mervin Thomson of Magrath was in charge of the Guest Book. After greeting the bride party in the Relief Society room against a background of pink streamers, white bells and poppies, the guests were directed to the Buffet Table by Mrs. Iva Jensen. The table was centered by the tiered wedding cake on top of which sat a dainty vase holding little red rosebuds; twin candelabra held white tapers on either side. Mrs. Mary Thompson was in charge of the lovely lunch.

Alvin Bullock of Welling was Master of Ceremonies for the entertaining program which consisted of two solos, "Through The Years" and "The Loveliest Night of The Year" by Mrs. Irene Palmer; "Honey" and "Too Young" by Sandra Dahl; Calvin Layton of Taber sang "Because" and "A Sleep In The Deep" after which Mrs. Norma Smith gave a Reading followed by "Day of Golden Promise" by Mrs. Evelyn Melchin. Mrs. Muriel Terry's "Bride's Prayer" was followed by Gen Hawkins, Laura Watson and Velma Bigelow singing "One Day When We Were Young" after Pat Strong played a piano solo.

Bishop Jensen proposed the toast to the bride with the groom responding.

For their honeymoon trip to Seattle, Mrs. Atwood donned a grey dressmaker suit, pink shorty coat and black accessories.

Following the reception Mr. and Mrs. Duncombe entertained the immediate family and friends at the Buffet Luncheon at their home.

Mrs. Floyd Winters entertained at an informal get-together recently in honor of Mrs. Elmo Hatfield on her birthday. Prizes were presented after an evening of games played by Mesdames Bob Douglas, Milo Douglas, Bert Hall, Earl Hartley, Ted Witbeck and Mel Richardson as well as the guest of honor and hostess.

Mrs. Hatfield was presented with a set of figurines by her friends after a meal of sandwiches, angelfood cake and whipped cream was enjoyed.

Only four U.S. Presidents before Eisenhower have been able to drive their own cars—Harding, Coolidge, Roosevelt and Truman.

The Ladies Literary met at the home of Mrs. Lottie Graham recently with Mrs. Mae Tollestrup assistant hostess. The Book Review by Mrs. Edda Brandley, Sidelights on the Inauguration of Pres. Eisenhower, was enjoyed by the members and special guests Mesdames Ruth Salmon, Dot Witbeck and Phoebe Dahl, followed by a lovely lunch.

Now I HAVE A FUTURE UNLIMITED!

"My name is Phyllis. I am six years old. I have a club foot. For a long time my Mommy and Daddy thought I would always be very lame. Soon I will be able to walk without my crutches. Mommy says I am a very lucky girl . . . I think so too!"

Phyllis is only one of hundreds of children who have overcome their physical handicaps through the help of the Alberta Red Cross Crippled Children's Hospital. The new hospital, Canada's largest orthopedic institution, was built by contributions from Albertans with the assistance of provincial and federal grants. It is a monument to the people of this province who wish to give every opportunity to the crippled child . . . to all of us who can open the doors to those with a limited future — to a future unlimited.

Alberta Red Cross Crippled Children's Hospital, Calgary, Alberta.

YOUR HELP TODAY WILL HELP THEM TOMORROW

Though the Alberta Red Cross Crippled Children's Hospital is only one of numerous Canadian Red Cross projects it is Alberta's most important consideration. During the peak of the 1952 polio epidemic, 149 patients were hospitalized. These were in addition to 142 patients who had been admitted to the hospital during the preceding ten months. What does it take to meet such an emergency and administer to our handicapped children? It takes a highly trained and skilled staff of doctors, nurses, physiotherapists, laboratory technicians, X-ray technicians, administrative and

maintenance personnel . . . It takes provincial government financial assistance as well as all the support through contributions that the people of Alberta can possibly give. Red Cross work in Alberta is estimated at an annual cost of over \$600,000. Of this total \$321,940 will be required to carry on the work of Alberta's Red Cross Crippled Children's Hospital. After provincial grants have been deducted an estimated amount of \$123,965 is still needed. When the Red Cross worker asks for your contribution . . . give as much as you can.

CANADIAN RED CROSS SOCIETY
 CAMPAIGN MARCH 2-31, 1953.

ALBERTA OBJECTIVE \$459,900.00
 National Objective \$5,310,600.00

YOUR DOLLARS WILL HELP HERE . . .

- In meeting administrative expenses for nurses, physiotherapists, X-ray and laboratory technicians, nurses' aides, school teachers, domestic and maintenance personnel.
- The maintenance of the hospital brace shop where hundreds of braces and harnesses for crippled limbs are made.
- In the maintenance of an adequate school and library in the hospital for the education of young minds so that patients may acquire a sound education as well as overcome their physical handicaps.
- In support of the hospital orthopedic "gym", specially equipped for the correction of remedial disabilities.
- To treat cases and restore the health of patients suffering from: Orthopedic conditions, including osteomyelitis, osteochondritis conditions.
- Congenital Anomalies — Club feet, club hands, hip dislocations and numerous other deformities.
- Arthrogryposis conditions, tuberculosis of the bones, traumatic conditions (amputations, etc.), malunited fractures, poliomyelitis, arthritis and numerous others.

GIVE GENEROUSLY... KEEP YOUR RED CROSS STRONG

Serve Canada...

and yourself...

...in Signals

Service in the Canadian Army is not merely a job, it is a worthwhile career in which the young man fits himself for a successful future, and, plays a part in the vital work of keeping Canada secure and safe.

For the young man interested in a trade, the Royal Canadian Signals has much to offer . . . outstanding trades training . . . special trades pay and promotion — and, of course, the Canadian Army's outstanding pension plan, free medical and dental care, 30 days annual leave with pay, service at home and overseas. In the Signals you will be working with the most up-to-date communication equipment and methods that science can devise. Your experience and training will be available to you wherever you go in the Army, or in civilian life.

You are eligible if you are 17 to 45 years of age and able to meet Army test requirements. Applicants should bring birth certificates or other proof of age when reporting for interview.

**EXPERIMENTAL STATION
WEEKLY LETTER**

SEEDING THROUGH HEAVY TRASH
by
D. T. Anderson — Agriculture Engineer

Recent reports indicate that soil drifting is still occurring in scattered areas of the Canadian and American spring and winter belt. A combination of unprotected, dry pulverized soil, and wind, is all that is required to remind us forcibly of the even present threat of wind erosion. The crop seeding season is still one of the hazardous periods. In spite of good crops and a good plentiful supply of protecting trash on fallows, many operators cover this trash with their spring cultivation and fail to carry sufficient protection on their seed beds. Occasionally heavy trash may present a problem in the spring, especially when fields are stubbled in. The question of handling these fields will face many farmers this spring.

Recently developed seeding machines have made it possible to provide adequate protection on the seed bed. These seeders have been given extensive tests by the Lethbridge Experimental Station with excellent results.

The combination of disc tillage and a press drill has been found entirely satisfactory for stubbling in on trash, which has resulted from crops of 30 bushels or less in Southern Alberta. Trash heavier than this may interfere with drilling, resulting in uneven germination and emergence.

The one-way disc type seeder will handle about the same quantity of trash as stated above. A good packer has been found necessary to provide uniform germination. The packer had to be used with caution on heavy clay soils, especially when very moist, or puddling may become serious enough to hinder emergence.

A redesigned hoe drill is now on the market. This machine will handle large quantities of trash and can be used successfully behind subsurface cultivators. Fields from which 40 to 50 bushel crops were harvested have been seeded with this unit. Where the soil is very loose and the trash is very heavy, oscillating harrows, a trash mat, or a treader may be required ahead of the drill to consolidate the soil and break down the trash.

Blade seeders have given excellent results in those areas where the weed population is mostly annual weeds. The operator must pay attention to the proper control of depth of seeding for best results with this seeder. Additional tillage may be required if noxious weeds are present and a packer or treader is advisable on all but the heaviest soils.

Field investigations in 1952 showed that heavy unspread straw swaths can interfere with yields where any of the above methods are used. The reduction in yields on the swath covered areas averaged 2.2 bushels per acre for all of the above methods of seeding. It is well worth while to use a straw spreader or straw chopper in the fall. If a spreader has not been used, then cross-cultivation or the use of a trash mat or trash harrows will help to spread the straw and permit a job of good seeding in trash.

Pictured in the role of "cylinder jockey" (fore-runner of the modern disc jockey) is Ed Manning, genial host of "Roll Back the Years" heard every Tuesday on the CBC's Trans-Canada network. Times have changed it's true, but there is still a good deal of entertainment to be found in listening to music that was popular many years ago. Manning's record collection is probably one of the most extensive private libraries in the country, with selections dating back to the earliest days of recording. By way of these old records, dance bands, opera stars, vaudeville artists and other great personalities of the past are brought to life again on "Roll Back the Years".

KITCHEN TRICKS

Easy Sauce for Puddings: An easy sauce that adds crunch and taste to cake, puddings or ice-cream is made with peanut caramels, brittle, bars or taffy. Chop or grind the candy (use chocolate-peanut candy if you want the chocolate taste), and add 1/2 cup milk for each cup of crushed candy. Melt in double boiler, stirring to mix. For a hot fudge sauce with a built-in peanut butter flavor, use chocolate peanut butter cups (6 small ones) or 6 ounces of other peanut butter chocolates, adding 1 tablespoon water for each piece of candy. Put in top of double boiler and stir while melting. Serve hot.

The Friendship Club met at the home of Mrs. Carol Shaw this week to enjoy their usual evening of chatting and lunch.

THE NEW RAYMOND RECORDER

Golfer's Retriever—This may cut golfing expenses. It is, says The Financial Post, an economical device for extracting balls from muddy river beds. It will give average player a ten-foot reach. It is collapsible and fits inside any golf bag.

Function of Gargoyle

Technically, a gargoyle is a waterspout carved in the shape of a grotesque animal, although the term often is used to denote grotesque representations of animals in other forms.

Telephone number 24

The Second Ward Sunday School Officers and Teachers met at the home of Mr and Mrs. Bert Powelson Monday evening for their monthly meeting.

U.S. SELECTIVE SERVICE reports that if that country's armed forces are to be kept at present level of 3.6 million men, it will be necessary to draft fathers before the end of this year. Meanwhile, General James Van Fleet, former Korea commander, urges U.S. draft period be extended from two years, as at present, to three. IF either of these steps is taken, it will be very difficult for Canada to retain its voluntary system. Worthy of note is that U.S. Army now drafts more men each month (52,000) than there are in the whole Canadian Army (50,000).

Every dollar of your money—spent through the Red Cross buy approximately ten dollars worth of goods and services through the Society's Volunteer organization.

Mr. and Mrs. Gordon Magee and family have left for Windsor where they will now make their home.

OFFICIAL METEOR-MERCURY DEALER

New Crack Filler: Coming on the market is a new synthetic rubber crack filler for industrial use, says the Financial Post. It comes in a black paste which cures, without shrinking, to a permanent flexible rubber solid form. It fills cracks or holes in almost any surface and joins or seals wood, metal, masonry or glass.

Mrs. Margaret Bridge was hostess to the Birthday Club when they met on Monday evening to celebrate Mrs. Ethel Hickens birthday. Jan Heninger was a special guest at this pleasant evening of chatting and handwork followed by a delectable lunch.

If you save all you earn, you're a miser;

If you spend all you earn, you're a fool;

If you lose it, you're out;

If you spend it, you're in;

If you owe it, they're always after you;

If you lend it, you're always after them;

It is the cause of evil;

It is the cause of sorrow;

It is the cause of happiness;

If the government makes it, it is all right;

If you make it, it is all wrong;

As a rule it is hard to get;

But when you get it, it is soft;

It talks;

To some it says, "I have come to stay";

To others it whispers, "Good-bye";

Some people go to the bank for it;

Some people go to jail for it;

The mint makes it first;

It is up to you to make it last.

Cesar Copplesters who is attending Tech. in Calgary spent the week-end home with his parents.

YOUR GOVERNMENT

- by donald a. smith

Edmonton—The Alberta government's 1953-54 budget, presented by Premier Manning, provincial treasurer, at the end of last week in the legislature, called for greater expenditures than most observers were predicting — \$174,082,130, including provision for increased municipal loans.

The spending, which should see the benefits of the province's vast development reach citizens in all walks of life, is more than \$50,000,000 greater than for last year.

It provides for the greatest highway program in the province's history, establishment of revolving funds for to municipalities, rural electrification associations and university students.

In highways alone an estimated \$5,625,000 will be spent to improve and maintain district highways, including \$3,000,000 in municipal areas and \$2,500,000 in improvement districts. The highways department plans to spend \$35,952,020 on highways and bridges this year, almost \$11,000,000 more than last year.

The revolving fund for rural electrification associations will begin this year at \$3,000,000, with an eventual limit of \$10,000,000. With 10-year loans at 3 1/2% interest, the premier believes member-farmers will have to pay only \$150 down for power line construction.

The fund for municipal loans will be set up with \$25,000,000 in the kitty, from which low interest loans will be provided for capital construction in cities, towns, villages and municipalities.

Direct aid to municipalities will total \$33,830,000, or \$3,000,000 more than the total provincial revenue seven years ago. Rabies control will take a \$350,000 slice, \$50,000 for surveyed areas and \$300,000 in the less-accessible unsurveyed areas.

Education will cost \$18,648,130, of which \$11,617,000 will go for grants for school operations. Of the revenue expected for the government (\$138,368,160), a total of \$46,432,000 is expected from mines and materials development, including oil and gas; \$16,000,000 from the fuel oil tax and \$14,000,000 from liquor.

Receiving serious consideration by members on both sides of the house, last week, was Alberta's teacher shortage, with Lee Leavitt (SC, Banff Cochrane) suggesting a commission

The Alberta Power Commission Report tabled in the house says sights are set on having 49,000 of Alberta's 84,315 farms equipped with electric power by 1960. The Commission believes 72,000 farms will be within economical distance of power lines by that time. At the end of 1952, electricity was serving 18,055 farms, with a goal of 5,000 more set for this year.

Calgary Liberal H. J. MacDonald's motion asking legislation to assure adequate reserves of natural gas to safeguard Alberta's requirements and protect the consumer as to price, was defeated by a 45 to 5 vote, with only the Liberals and CCFers in favor of it. Attorney-General Lucien Maynard said there is protective legislation and said the government intends to encourage further development towards the export market.

Noted Briefly — First member in favor of serving liquor by the glass, Glen Johnston (SC, Ponoka) said he was not in favor of more outlets but favored liquor in the glass in bars if they also served packaged foods... Michael Ponich (SC, Vegreville) claimed federal policy of higher and higher taxation cause of municipal financial difficulties, while the province's self-liquidating projects fund has done more than anything to aid them... W. F. Gilliland (SC, Peace River) wants more representation for his constituency, which has the second largest number of voters among rural constituencies... Agriculture Minister Davil Ure, of Red Deer, says the government is anxious to lose the revenue from the horn tax, but adds it will continue to grow (from \$1 to \$2 this year) until farmers begin dehorning their cattle before shipping... Relerson (St. Paul) offered the highways department seven ferries, in operating condition, for three or four new bridges in his constituency... Dushenaki (Wellington), on road conditions: "My constituency is one place you can enjoy a horseback ride, while riding in an car... Masson (Wainwright), on four-man Liberal opposition: "They remind me of an old threshing machine. The only thing that works is the blow er."

CANADIAN GARDEN SERVICE
by Gordon Lindsey Smith

Keep it Simple—The most effective and impressive garden layouts, and especially for non-professionals, are the informal ones. This does not mean that shrubs, flowers, trees and lawns are put in helter skelter. Far from it. Some of the finest and most costly gardens in all Canada are decidedly in the informal category but into them goes the most precise and long term planning. The famous Butchart Garden of British Columbia are of the informal type and much of the beautiful grounds around the Canadian side of Niagara Falls, as well as about the Federal Parliament Buildings and the famous driveways of Ottawa.

One doesn't see long straight rows of flowers or square flower beds there. Most of the planting is done in clumps, with sweeping but irregularly shaped lawns as a foreground to massed beds of flowers and groups of shrubbery. And there is a deliberate "opening up" effect. You see everything from any central point. Shrubby, trees and other natural screening is brought forward here and there so that each turn in the path or each rounded corner of lawn reveals another view.

Even in the smallest garden it is usually possible to get this same result even if we only bring a few larger shrubs and flowers forward a bit to screen part of the back, and invite visitors to explore farther.

General Principles—In planning a general layout small or large, there are some good general and fundamental rules to keep in mind. First of all we should know something about the final height of the flowers, shrubs and trees and in general keep the smaller things in front, so all may be seen. Color and time of blooming should be noted to prevent clashes, though nature can mix these things more pleasingly than can man. But more serious than color clashing is no color at all. By checking with the seed or nursery catalogue for the time of blooming it is possible to have a succession of flowers from the earliest snow drops in spring until the last chrysanthemums in the fall.

Another general rule mentioned previously it to avoid straight rows wherever possible with flowers and shrubs but rather to plant in clumps of two or three of each type and more, of course, with smaller things.

The Centrepiece—Finally there is the foreground or centerpiece to consider, something that will show off the flowers and shrubbery. For this a good lawn is indispensable, the smoother, greener and finer the better. Far too many people think that a lawn will look after itself. It will not any more than a vegetable or flower garden. It should get the same close attention, the same care in feeding and maintenance. If it does it will give every bit as much satisfaction. In these articles you will be reading more about the lawn and its importance.

First Plantings—Nothing is gained and much can be lost by rushing the season and trying to work soil while it is still damp and sticky. While most vegetables and flowers can be planted a little later than usual and will do almost as well, if we put them in too soon they will either freeze to death or get such a setback that they will be permanently checked. But, of course there are a few exceptions to every rule. Some very hardy things like sweet peas, grass seed, the first garden peas, shrubbery, trees and many herbaceous perennial roots, should be planted in the spring just as soon as the soil can be dug without puddling. These are cool weather loving plants and they must get well started before the summer heat. In very mild parts of the country these things are planted or set out in March and elsewhere not later than April or early May.

HINTS ON NYLONS

When cutting out nylon material, it is desirable to allow at least 1/4 inch for turning (about 1/4 inch more than would be allowed for turnings in any other fabric). Do not make the seams too fine because nylon, being a rather springy yarn, has a tendency to unravel at the edges.

Never try to tear nylon. Cut it with sharp scissors on a flat surface. It is easy to sew by hand or on the machine. Nylon thread is ideal for this but a real-silk sewing is almost as good. Stitch on your machine with a loose tension and a fine needle and when possible cut seams on the bias.

Straight seams in nylon have a tendency to pucker. This can be avoided by using a loose machine stitch or by running the seams by hand.

If you must press any part use a cool iron and test a scrap of the fabric first. For pressing seams, use a damp cloth.

Barbara Christensen spent the weekend home from Calgary with her parents, Mr. and Mrs. Elmo Christensen.

Meet Gisele McKenzie, now in Hollywood, who sings with Bob Crosby's orchestra in the radio "Club 15" Mondays, Wednesdays and Fridays over CBS stations in the United States and CBC Dominion network. 5:30 MST. Canadians know her better as Gisele LaFleche, who entertained on CBC networks from Toronto for four years before moving to Hollywood last Spring. Singing isn't her only accomplishment—she plays the piano and violin, and writes most of her arrangements. Born in Winnipeg 24 years ago, she worked her way into radio via a dance band, and has since added club entertainment work and recordings to her schedule. She sings in both English and French, and her repertoire includes ballads, novelties, blues, rhythm and folk songs.

Notes From Your District Home Economist

MISS LILA ENGBERG

Are you curious about the art of Interior Decoration? Do you want to make your home as attractive as possible?

Women with Home Decorating problems can start a "Home Study Group".

The Home Designing Specialist of the Agricultural Extension Service, Miss Caroline Judson, has prepared such a study course. It contains six lessons—: 1. Color Scheme For Your Home. 2. Furniture Arrangements. 3. Floor Treatments. 3b. Walls and Ceiling Treatment. 4. Slip Covering. 5. Furniture Refinishing. 6. How To Make Drapes.

These six lessons are accompanied by a Product book which acts as a guide in the method of handling each bulletin, supplying questions for discussion, suggested projects and further material references.

At each meeting one or two women in the group can be responsible for reading and preparing material from one bulletin to be given as a talk or demonstration to the rest of the group. Each bulletin may be handled in this

manner extending over six or eight meetings. By studying together all homemakers can gain information which will help them to create a beautiful home where the family is content to live and friends are pleased to visit.

This Study Course has been taken by many groups in the Lethbridge area in the past two years but it is still available to other groups of homemakers. Contact Miss Judson at the Parliament Buildings in Edmonton, or my office in Lethbridge if you are interested.

Here is the type of information Miss Judson prepares for your study: Kitchen work surfaces should be smooth, durable, easy to clean and resistant to heat and moisture. Surfaces that meet those requirements are Inlaid linoleum, glazed tile, porcelain-enamel, an stainless metal. Inlaid linoleum is one of the most popular coverings because it is relatively inexpensive. Glazed tile is expensive and requires an experienced workman to lay it properly. Paint or varnish are destroyed by continual washing and are not recommended for working surfaces.

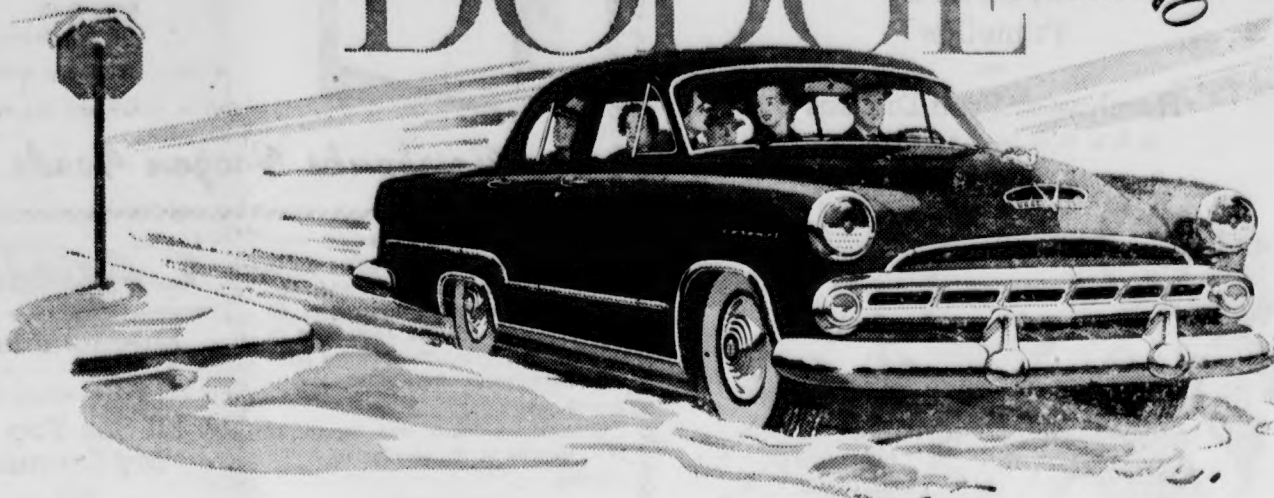

Anyone interested in taking
Vocal Lessons

Drive the action car of the year

the power-packed

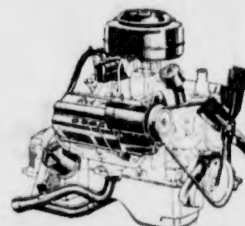

DODGE *coronet V8*

The 1953 Dodge Coronet V-8 is styled for action... more streamlined... more compact... yet with more passenger and trunk room than ever. It's designed for action to provide a road-hugging, curve-holding ride, new steering ease, wonderful manoeuvrability. It's powered for action with a new 140 h.p. V-8 engine of the famous "dome-shaped" design (as described below)—that gives astonishing pick-up and smooth, sustained speed.

featuring the sensational new 140 h.p. red ram V8 engine

This new V-8 engine brings you the triple power advantages of "dome-shaped" combustion chamber... short stroke design... high lift lateral valves—a design universally recognized as the ideal for power and economy. It provides more power per cubic inch displacement than any other mass-produced engine... more fuel energy goes into power, less is wasted in heat and friction.

Gyro-Matic transmission is standard equipment—giving you no-shift driving at its best. Gyro-Torque transmission—for extra bursts of speed from "get-away" to 45 m.p.h.—is available at extra cost.

Mrs. Inez Hall entertained last Wednesday in honor of Mrs. Gladys Whitaker who was visiting here. An enjoyable evening of chatting was spent with old friends, topped off with a delightful lunch.

Mr. and Mrs. Grant Heggie were hosts to their Sunday evening Study Class this week at which Reed Fawns presented an interesting lesson. A lovely lunch was served the guests at the conclusion of the evening.
